Sri Lanka market reference (6-page business static site, responsive, contact/maps, basic SEO, domain + hosting setup & go-live — sources surveyed Nov 2026: Webgeniz, GIXEZ, Engage Lanka, Web Factory, DevLanka).

MARKET MINIMUM	MARKET AVERAGE	MARKET MAXIMUM
LKR 72,000	**LKR 138,000**	**LKR 205,000**

This invoice is set at the **premium-adjusted fair rate (LKR 165,000)** — above average because the build is hand-coded custom UI (not a template package), six pages, and enhanced mobile/animation polish.

DESCRIPTION	QTY	RATE (LKR)	AMOUNT (LKR)
Discovery & brand-aligned UI design 6-page structure, typography, logo-based palette, responsive layout.	1	28,000	28,000
Custom static frontend (6 pages) Home, About, Products, Services, Factory, Contact — semantic HTML, Tailwind + custom CSS.	1	58,000	58,000
Mobile UX, animations & accessibility Sticky header, mobile menu, scroll reveals, reduced-motion support.	1	22,000	22,000
Integrations & on-page SEO Enquiry UI, WhatsApp/phone, Google Maps, favicon, meta descriptions.	1	14,000	14,000
Domain registration & DNS Domain setup and DNS pointed to production hosting.	1	9,000	9,000

DESCRIPTION	QTY	RATE (LKR)	AMOUNT (LKR)
Hosting setup & SSL Hosting account, HTTPS enabled, environment ready for live site.	1	14,000	14,000
Production deployment & go-live Files deployed, live URL tested, access handover.	1	10,000	10,000
QA, revisions & source handoff Cross-device testing, feedback rounds, full source delivery.	1	10,000	10,000

Subtotal	LKR 165,000
Tax (0%)	LKR 0
Total due	**LKR 165,000**

PAYMENT

- Contact **077 341 7545** for bank transfer details.
- Reference: **EE-WEB-2026-001**

TERMS

- Payment due within 14 days unless otherwise agreed.
- Includes live site, configured domain/DNS, hosting setup, deployment, and source files.
- Annual domain/hosting renewal after the current period is billed by the registrar/host unless a maintenance plan is agreed.

Market range methodology: compared published SL packages (LKR 40k–60k for 5-page static with hosting) against corporate custom tiers (LKR 90k–185k per DevLanka/Web Factory). Scope uplift applied for 6 pages, hand-coded premium UI, and full launch services.
